

ArtNo:	1100-0017-0960-9309
--------	---------------------

Height:	2,7mm
---------	-------

Number of poles:	2
------------------	---

Channels:	1
-----------	---

Solder pad:	Yes
-------------	-----

At CC:	960mA
--------	-------

Number of wires:	2
------------------	---

Cable end processing:	tinned
-----------------------	--------

Power supply:	CC
---------------	----

Power consumption:	9W
--------------------	----

Outer diameter:	17,0mm
-----------------	--------

Cable type:	single strand
-------------	---------------

Cable length:	150mm
---------------	-------

Cable conversion:	FEP
-------------------	-----

beam angle:	170 degrees
-------------	-------------

Color temperature:	3.000K
--------------------	--------

Material:	Aluminium
-----------	-----------

Board material:	aluminium core
-----------------	----------------

Light output:	960lm
---------------	-------

CRI:	>90
------	-----

Weight:	1g
---------	----

Cable cross section:	0,5mm ²
----------------------	--------------------

Surface and color:	white
--------------------	-------

IP Schutzart:	IP20
---------------	------
