

ArtNo:	1600-0290-0024-8301
--------	---------------------

Height:	290mm
---------	-------

Screw-on:	Yes
-----------	-----

Channels:	1
-----------	---

Plug contact:	Yes
---------------	-----

Number of poles:	4
------------------	---

Control:	Yes
----------	-----

beam angle:	360 degrees
-------------	-------------

Weight:	150g
---------	------

Surface:	Painted
----------	---------

Outer diameter:	80,0mm
-----------------	--------

Power supply:	CV
---------------	----

CRI:	>85
------	-----

Power consumption:	25W
--------------------	-----

At CV:	24
--------	----

Color temperature:	3.000K
--------------------	--------

Material:	Aluminium
-----------	-----------

IP Schutzart:	IP44
---------------	------

Board material:	aluminium core
-----------------	----------------

Light output:	3250lm
---------------	--------

Surface and color:	white
--------------------	-------
