

ArtNo:	2120-2404-0445-9270
--------	---------------------

Height:	1,3mm
---------	-------

Width:	8mm
--------	-----

Length:	5000mm
---------	--------

Number of poles:	2
------------------	---

Channels:	1
-----------	---

Number of wires:	2
------------------	---

Cable end processing:	tinned
-----------------------	--------

Cable conversion:	PVC
-------------------	-----

Color temperature:	2.700K
--------------------	--------

Power supply:	CV
---------------	----

Power consumption:	5W
--------------------	----

At CV:	24
--------	----

beam angle:	120 degrees
-------------	-------------

Light output:	445lm
---------------	-------

Cable length:	95mm
---------------	------

Weight:	75g
---------	-----

CRI:	>90
------	-----

Cable cross section:	0,5mm ²
----------------------	--------------------

Cable type:	twin strands
-------------	--------------

Surface and color:	white
--------------------	-------

IP Schutzart:	IP20
---------------	------
